

42nd GRC ANNUAL MEETING & EXPO

OCT
14-17
2018

WORKSHOPS

- Project Development Strategy and Economic and Investment Evaluations
- Evolution Of Geothermal Resource Models
- Geothermal 101 - Open to the public

FIELD TRIPS

- Long Valley Caldera
- Steamboat Springs Geothermal Field
- Searching for Blind Geothermal Systems Utilizing Play Fairway Analysis, Western Nevada
- The Peppermill Resort Direct Use Geothermal Heating System

TECHNICAL SESSIONS

Over 60 hours of technical sessions over three days bringing the latest geothermal research from around the world. Dozens of poster presentations on display throughout the event.

INTERNATIONAL LUNCH & SESSION

Special informational meetings with presentations and discussions led by globally known experts in the geothermal community. Great networking opportunities!

ANNUAL CHARITY GOLF TOURNAMENT

Only 100 spots are available so sign-up early! This year being held at the Sunridge Golf Club in nearby Carson City. Register now!

EXPO

The 3-day expo held in conjunction with the Annual Meeting will provide ample opportunities for networking. The Expo presents exhibitors with the opportunity to maximize their exposure at the largest annual geothermal energy gathering in the world.

DOWNLOAD THE EVENT APP

Plan your time at the geothermal energy of the year and network with colleagues in the global community.
