**Deadline for Geothermal Resources Council
2014 Amateur Photo Contest is This Weekend**

*The 35th Amateur Photo Contest winners will be announced at the
GRC Annual Meeting in Portland, Oregon, USA.*

(Portland, Oregon, USA.) The Geothermal Resources Council (GRC) is reminding entrees that the deadline for this year's Amateur Photo Contest is this Sunday, August 31, 2014. The purpose of the contest is to showcase quality photography featuring geothermal energy around the world.

The winners will be announced at the GRC Annual Member Meeting and Awards Luncheon, the climax to the 38th GRC Annual Meeting & GEA Geothermal Energy Expo being held at the Oregon Convention Center, Portland, Oregon, USA from September 28 –October 1. The theme for this year's meeting is "Geothermal: A Global Solution".

The first place winner will receive \$150, second place - \$100, and third place - \$75. Honorable Mention photos will receive certificates.

Photographs on any subject related to geothermal energy can be submitted such as geothermal energy production, EGS, Direct Use and geothermal heat pumps. These can include photos of well testing, drilling, operation of geothermal equipment, newly developed equipment, or plant operation, construction of a geothermal plant or plant site, and geological areas or surface manifestations (holding potential for geothermal exploration or development).

More information on the GRC Amateur Photo Contest, including a submission form, can be found on the GRC website [www.geothermal.org]. The deadline for submissions is August 31, 2014.

##

About the Geothermal Resources Council:

With the experience and dedication of its diverse, international membership bolstering a more than 40-year track record, the Geothermal Resources Council has built a solid reputation as the world's preeminent geothermal association. The GRC serves as a focal point for continuing professional development for its members through its outreach, information transfer and education services.
