Reserve Your Hotel Rooms for GRC Annual Meeting & GEA Geothermal Energy Expo

Hotel room reservations can now be made for the biggest geothermal energy event of the year to be held in Sacramento, California, USA from October 23-26, 2016

(Davis, California). Reservations can now be made for hotel rooms for the 40th Geothermal Resources Council (GRC) Annual Meeting & Geothermal Energy Association (GEA) Expo, being held in Sacramento, California, USA, October 23 – 26, 2016. All the events and accommodation are in one central location, at the Sacramento Convention Center and neighboring Sheraton Grand and Hyatt Regency hotels.

The GRC has contracted with the Sheraton Grand and Hyatt Regency for a discounted block of rooms. At both hotels there is a choice of rooms with either two double beds or a king bed starting at \$145 a night excluding taxes and fees. The discount ends September 28.

Attendees can make their reservations on secure websites prepared specially for the GRC and GEA. The links are available from the GRC Annual Meeting website at: www.geothermal.org/meet-new.html.

The GRC Annual Meeting & GEA Geothermal Energy Expo is the industry's largest annual gathering of leading geothermal energy scientists, producers, renewable energy industry stakeholders, regulators, utilities, and key associated business leaders. The four-day event will offer technical, policy, and market conference sessions, educational seminars, tours of local geothermal and renewable energy projects, trade show and numerous networking opportunities.

More information on the biggest annual geothermal event in the world can be found on the GRC website at: www.geothermal.org/meet-new.html

##

About the Geothermal Resources Council:

With the experience and dedication of its diverse, international membership bolstering a 45-year track record, the Geothermal Resources Council has built a solid reputation as one of the world's preeminent geothermal associations. The GRC serves as a focal point for continuing professional development for its members through its outreach, information transfer and education services.
