Early Bird Registration Deadline for GRC Annual Meeting is This Week
Save up to \$150 for this premier geothermal energy event
by registering before midnight on Friday

(Sacramento, California, USA) The deadline for early-bird rates for registration for the biggest annual geothermal event is this Friday, September 23. The GRC Annual Meeting & GEA GeoExpo+ will bring together geothermal companies, academics, financiers, policy leaders, students, and other individuals to attend or exhibit at the event, to be held from October 23 to 26 at the Sacramento Convention Center, Sacramento, California, USA.

Early birds who register before September 24 pay only \$795 as GRC members or \$995 if non-members. The non-member registration includes GRC membership through 2017. Students with a current identification card from an accredited institution pay just \$5 which also includes GRC membership through 2017. Registration to the GRC Annual Meeting also includes entry to the GEA GeoExpo+ trade show.

Registration is available from the GRC website at www.geothermal.org. A *Preliminary Program* complete with a *Registration Form* is available to view and download. However, the GRC recommends online registration through a secured connection. The link is also available on the front page of the GRC website at www.geothermal.org.

The deadline for discounted hotel room rates is September 28. Hotel room reservations can be made by following a link from the GRC website at www.geothermal.org. Book now as there are only a certain number of discounted rooms available.

This is the premier gathering to learn about the latest developments in geothermal energy. Last year, the GRC Annual Meeting & GEA Expo hosted over 1,200 representatives from more than 26 countries. In 2016, an even broader international attendance is anticipated.

The GRC Annual Meeting will offer technical, policy, and market conference sessions, educational seminars, tours of local geothermal and renewable energy projects, and numerous networking opportunities.

The GEA GeoExpo+ floor features a unique opportunity for leaders in the business to showcase their projects, equipment, services and state of the art technology to the geothermal community. Exhibit space still remains but is selling quickly.

For more information about the GRC Annual Meeting & GEA GeoExpo+ at the Sacramento Convention Center, Sacramento, California, USA, visit www.geothermal.org or call (530) 758-2360.

For information on how to sponsor this event, contact Anh Lay, GRC at (530) 758-2360 X100 or alay@geothermal.org.
