The Geothermal Resources Council Announces 2019 Amateur Photo Contest

The awards will be presented at the GRC Annual Meeting in Palm Springs, California, USA.

(Davis, California, USA.) The Geothermal Resources Council (GRC) is pleased to announce this year's Amateur Photo Contest. The purpose of the contest is to showcase quality photography featuring geothermal energy around the world.

The awards will be presented at the GRC Annual Meeting & Expo being held in Palm Springs, California, USA from September 15-18.

The first place winner will receive \$150, second place - \$100, and third place - \$75. Honorable Mention photos will receive certificates.

Photographs on any subject related to geothermal energy including geothermal energy production, EGS, direct use and geothermal heat pumps can be submitted. This includes photos in the areas of exploration, drilling, well testing, research and development, power plant construction, operation, and maintenance, geological features or geothermal manifestations.

For the 2019 photo contest, GRC is helping to raise awareness of the community benefits of geothermal energy through providing honorable mention awards for photos that help demonstrate two specific categories: Diversity - Celebrating inclusivity in the geothermal industry and Community - Providing positive interaction and impact on communities .

More information on the GRC Amateur Photo Contest, including a *Submission Form*, can be found on the GRC website [www.geothermal.org]. The deadline for submissions is August 2, 2019.

##

About the Geothermal Resources Council:

The Geothermal Resources Council (GRC) will be celebrating 50 years of service to the global geothermal energy community in 2022. The GRC is dedicated to advancing geothermal development around the world through education, research, and outreach. For more information, please visit www.geothermal.org.
