### **Registration Opens for GRC Annual Meeting & Expo**

*Special deals for early birds and students at prestigious geothermal energy event*

(Palm Springs, California, USA) Registration is now open for the biggest annual geothermal energy event of the year. The GRC Annual Meeting & Expo will bring together geothermal companies, academics, financiers, policy leaders, students, and other individuals to attend or exhibit at the event, to be held September 15-18 in Palm Springs, California, USA.

Early birds who register before July 31 pay only \$980 as Geothermal Resources Council (GRC) members or \$1,180 if non-members. The non-member registration includes GRC membership through 2020. Students with a current identification card from an accredited institution pay just \$150 which also includes GRC membership through 2020.

In addition to the prestigious Technical Program, the three-day registration to the GRC Annual Meeting & Expo includes an Opening Reception on Sunday evening, the Opening Session on Monday morning, a Network Reception on Tuesday, the GRC Expo and lunch on all three days.

Registration is available from the GRC website at [www.geothermal.org](http://www.geothermal.org). A *Program* complete with a *Registration Form* is available to view and download. However, the GRC recommends online registration through a secured connection. The link is available on the front page of the GRC website at [www.geothermal.org](http://www.geothermal.org).

This is the premier gathering to learn about the latest developments in geothermal energy. Last year, the GRC Annual Meeting & Expo hosted over 1,000 attendees from 34 different countries.

The GRC Annual Meeting will offer technical, policy, and market conference sessions, educational seminars, tours of local geothermal and renewable energy projects, and numerous networking opportunities.

The Expo features a unique opportunity for leaders in the geothermal energy sector to showcase their projects, equipment, services and state of the art technology to the

geothermal community. Reserve your booth now! There were more than 100 exhibitors at last year's trade show.

The GRC Annual Meeting & Expo is the industry's largest annual gathering of leading geothermal energy scientists, producers, renewable energy industry stakeholders, regulators, utilities, and key associated business leaders. The four-day event will offer technical, policy, and market conference sessions, educational seminars, tours of local geothermal and renewable energy projects, and numerous networking opportunities.

Room reservations can now be made on the GRC website at [www.geothermal.org](http://www.geothermal.org). A discounted room rate is available until August 21, so early reservations are recommended.

For more information about the GRC Annual Meeting & Expo in Palm Springs, California, USA, visit [www.geothermal.org](http://www.geothermal.org) or call (530) 758-2360.

For information on how to sponsor this event, contact Estela Smith, GRC at (530) 758-2360 or [grc@geothermal.org](mailto:grc@geothermal.org).

##

*About the Geothermal Resources Council:*

The Geothermal Resources Council (GRC) will be celebrating 50 years of service to the global geothermal energy community in 2022. The GRC is dedicated to advancing geothermal development around the world through education, research, and outreach.
