

Networking Lunch & Topical Discussions on Today's Energy Scene

Wednesday, April 30, 2025 (Noon to 1:30 PM)

Cost: \$75 \$50 through WRM 2025 Online Registration

<https://connect.spe.org/losangelesbasin/2025-wrm/2025-wrm>

Conference Registration is not required

**Location: Terrace Room of Hyatt Regency Orange County
11999 Harbor Blvd, Garden Grove, CA**

We invite you to secure your spot at the Networking Luncheon by registering on our online registration page. This is an exceptional opportunity to reconnect with familiar faces from the oil industry and forge valuable connections with emerging professionals in energy transition sectors such as geothermal, hydrogen, and carbon management. Don't miss out on the chance to expand your network and engage in impactful discussions that will shape the future of our industry. We welcome guests and friends.

The event's goals are to:

- Provide a relaxed environment for networking with engineers, operators, service providers, geologists, scientists, educators, and students interested in learning about and participating in the transition to green energy
- Share information on SPE's expansion to alternative energy sources
- Introduce LASPE's Energy Transition Study Group

The Luncheon will feature the following:

- Presentation by speaker Dr. Steve Cheung on the status and plans of the Energy Transition Study Group.
- Topical tables where attendees can engage in conversations about key aspects of energy transition, including but not limited to:
 - Geothermal Energy
 - Green Hydrogen Generation
 - Carbon Capture & Storage
 - The Future of Oil & Gas Production
- Lists of upcoming events in various energy industries.
- Buffet Lunch
- Raffle & Speed Networking Game with energy industry experts

Company Sponsored Meet and Greet Tables - Contact event coordinator by 4/14/2025
