Haven't registered yet?

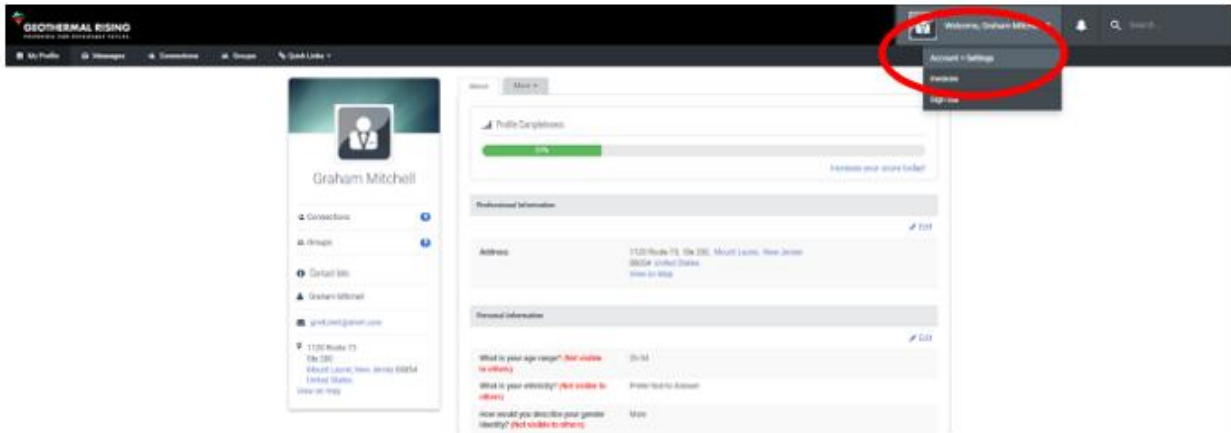

[Click here to Join](#)

*Don't know your login information? Select the reset your password option.*

2. Once logged in, you will be in your primary membership profile.

3. To access your member id, click on the profile drop down menu. Select Account + Settings:

4. From the Account and Settings screen, you will locate your member ID number as shown below:

The screenshot displays a user interface with a dark navigation bar at the top containing 'Connections', 'Groups', and 'Quick Links'. Below this is a 'Profile Completeness' section with a green progress bar at 40%. The 'Account Information' section is highlighted in grey and contains a table with the following data:

Account Information	
Member ID	0123456

The value '0123456' is circled in red.
